

**If someone needed a meal, is
this what you'd give them?**

We are blessed to be members of this historic church. It has been here for parishioners for over 150 years. Let's be there for St. Patrick. Contribute each week what you can to help offset everyday operating expenses so we can remain fiscally viable in the face of any serious emergency. Or when the stained glass windows need fixing, or a pipe breaks, or when...

St. Patrick needs you, everyday.
