## ST PATRICK INCREASED OFFERTORY PROGRAM

### **Giving Prayer & After Mass Speaker**

As you know, Saint Patrick is now involved in our Increased Offertory Program to strengthen our financial health and ministries.

In recent weeks, our parish has been preparing for the Program by updating parish records and producing program materials. We hope you will respond positively and with generosity.

This week in the pews is our Giving Prayer Card. It is an opportunity for all of us to take an active role praying for generosity and growth of Saint Patrick and for each parishioner to practice the principle of stewardship — giving back a portion of our blessings to God.

Please continue to pray about your participation in this important effort.

Proverbs 3:9 *“Honor the Lord with your wealth.”*

### **Message from our Pastor:**

*Good day to all! Happy Gaudete Sunday!*

*If you know Latin, you know ‘Gaudete’ means ‘rejoice’. Today is ‘rejoice’ Sunday. Today is ‘joy’ Sunday.*

*The word “Gaudete” is taken from the first word of the introit of the Mass today. You might be asking, what’s an ‘introit?’ The introit is the introductory phrase of the Mass that you will hear if you go to a Mass without music, in which case the priest will recite the introit before saying ‘in the name of the Father...’*

*Or some Churches chant the introit before the opening hymn, which is preferable. We are going to work towards doing that.*

*In any respect, it is ‘rejoice’ or ‘joy’ Sunday. I love this Sunday.*

*Why? Because if we’re going to be joyful at least one day of the year, we’ve got to be joyful this Sunday. We ‘rejoice’ this Sunday because we are soooooo cloooooooose to the greatest day in the history of humanity. We are sooooo clooooooouse to Christmas, so we rejoice and are joyful, as the introit says.*

*Did you know the Christian life is a life of joy? I am a Christian because I want to be happy in life. The Christian life is a life of J – O – Y. Did you know that?*

*J – O – Y stands for Jesus, Others, Yourself. The Christian life is for Jesus first, Others second, and yourself last.*

*But wait a minute. I thought the Christian life was about joy. How can it be about joy if all I am focused on is Jesus and others and I don’t have any time to focus on myself?*

*Exactly!!!*

*The reason the Christian life is a life of joy is precisely because the Christian life is about focusing on Jesus first (God), and others second...before focusing on ourselves.*

*We are happy when we are not focused on ourselves and worrying about ourselves. When we spend ourselves in service to God and in service to others, we experience joy and happiness. Alternatively, when we focus on ourselves, we are not. Plain and simple.*

*Human experience bears witness to this.*

*I think of children in third world countries, who have nothing but their faith in God and the other children they live with in very close quarters (they don’t have separate homes to keep them apart) and all I see are smiles on their faces. They have nothing but God and each other, and they are happy.*

*Then in think of children with every toy and game system and cell phone known to man, and I see sadness, depression, loneliness, and anxiety. It seems backwards.*

*But it makes perfect sense. The more we have time to focus on ourselves, the more toys we have that cause us to be self-absorbed, the less fulfilled we will be.*

*Alternatively, the less we have to worry about personally, the more we can be consumed with what is going on with others, with the needs of others, and most importantly, with the will of God.*

*That’s what Jesus meant when he said, he who loses his life will find it, and he who tries to save his life will lose it.*

*Giving our lives away gives us joy. And the order we give them away is J – O – Y. Jesus first. Others second. Yourself last.*

*I’m not crazy. I just want to be happy. And I promise, it works.*

*I hope you are having a wonderful Advent!*

**Children's Religious Education - Donna Baird**

**We have some great news to share.** As you may be aware, on Sundays before Mass we have a growing number of children learning about their faith. For that reason, we are using more space in the basement. We are also happy that all parishioners can gather downstairs before Mass, but in order for our children to focus on their lessons, please be conscious of the presence of the religious education classes. The children are amazing learners but they get distracted by outside conversations. We thank you in advance for helping us in this matter. Thank you! - Religious Education Team
