Message from our Pastor:

Happy Easter everyone!!!

***We are still fully into the Easter
season, so don't even think about
letting the joy of this greatest
event that ever happened to
humanity escape you!!!***

***Our society is so weird. They spend
so much time in anticipation and
then when the event comes they
forget about it in 24 hours. I am
thinking especially of Christmas,
which starts for most after
Halloween and ends as soon as
presents are opened on Christmas
day.***

***It is the same thing with Easter. As
soon as the Easter eggs are open
and the candy is removed from the
inside, people forget about it and
start thinking about other things:
pollen, Final 4, whatever is in the
news, etc.***

***We'll don't do that! Easter is 50
days!!! If you celebrate the most
significant and important event to
ever happen to the human race
only one day a year, you are really,
really missing out. And you are
likely not appreciating it for all it
is...and you're missing out on all
that joy!!!***

***Lent was long, 40 days. But Easter
is longer, 50 days. There is so much
grace available during this season,
especially a grace of happiness.
And with the wonderful weather
God is giving us, we have no
excuse not to be thankful and
cheery.***

Thank you, God!!! - Father Rossi
