Message from Father Maxwell:

Vatican II's document "Gaudium et Spes" on the church in the modern world shows how the church shares both the joys and sufferings of the people in the world who form the church of God. As such, the health of every person is very important because without people, the church cannot be.

Looking at how the new delta variant of the COVID 19 is transmitting rapidly having a bad effect on people, we all need to be very careful and comply to the new CDC and VDH guidance on masks wearing which are as follows:

- Unvaccinated or not fully vaccinated individuals should wear masks in public indoor settings.
- Fully vaccinated individuals do not need to wear a mask; however, masks should be worn in indoor settings in areas of substantial and high transmission.
- Any person not wearing a mask shall not be required to produce documentation that they are vaccinated or that they have an underlying medical condition.

Let us comply to them for our safety and the safety of others.

God bless you all.

Father Maxwell
